For selected orals 7 minutes of presentation and 3 minutes of discussion. LCD projector, laptop and laser pointer will be provided. Best posters/oral presentations will be awarded with prize.

CONFERENCE HIGHLIGHTS

- ❖ Cancer Biology
- ❖ Cardiovascular metabolism
- ❖ Ageing/Senescence
- ❖ Chronic stress
- ❖ Molecular Pathogenesis
- ❖ Molecular cardiology
- ❖ Stem cell therapy
- ❖ Epigenetics and gene expression
- ❖ Drug discovery / Structural Biology
- ❖ Therapeutic/Pharmacology
- ❖ Translational Research
- ❖ Diagnostic Biomarkers

KEYNOTE/PLENARY SPEAKERS

Dr. Florent Soubrier, Professor Emeritus, UMRS1166, Sorbonne University, Paris, France.

Dr. M. Balasubramanyam, Dean of Research & Senior Scientist, Madras Diabetes Research Foundation (MDRF), Chennai, India.

Dr. P. Paulraj, Deputy Dean, Department of Biomedical Sciences, Faculty of Medicine, MAHSA University, Malaysia.

Dr. Arvind Kumar, Principal Scientist, CSIR - Centre for Cellular and Molecular Biology (CCMB), Hyderabad, India.

Dr. Sankar Natesan, Professor & Head, Department of Genetic Engineering, Madurai Kamaraj University, Madurai, India.

The organizing committee extends a warm welcome to the Eminent Scientists, Academicians, Researchers, Students and Industry personnel to participate in the “**International Conference on Frontiers in Chronic Diseases**” (ICFCD’20). This conference is being organized by the Post Graduate and Research Department of Zoology. Bishop Heber College (Autonomous) has been reaccruited in the 3rd cycle at the 'A' grade by the National Assessment and Accreditation Council (NAAC) with CGPA of 3.58 out of 4. Bishop Heber College is a Christian minority educational institution established by the Tiruchirappalli -Tanjore Diocese of the Church of South India. The college is housed in a sprawling 30-acre land area, with beautiful garden, well-furnished and aesthetically designed buildings. It is affiliated to Bharathidasan University and offers a wide variety of Diploma, Under Graduate, Post Graduate courses, M. Phil and Doctoral programs.

DEPARTMENT OF ZOOLOGY

The Department of Zoology was established in the year 1972. Over the decades, by virtue of the commitment and the good work done by the staff, the Department has become one of the star Departments of our college. The Department provides the right platform for the students to have a strong fundamental knowledge on the biology of animals, the way they live and interact, develop, carry out vital functions and evolve as different groups. With this strong foundation that they acquire here, many of our alumni excel in their careers. The Department started DAMLT- Diploma in Advanced Medical Lab Technology (UGC career oriented programme) in 2008, M. Sc. Zoology in 2012 and upgraded to research Department in the year 2018. In these years, Department of Zoology has established excellent faculty strength, State of art Lab, a first-rate infrastructure and an amiable ambience to do good science as evident from excellent publications and

societal contributions to healthcare. The current areas of interest in Biology have been incorporated into the curriculum to make our students compete globally.

ABOUT THE ICFCD'20 CONFERENCE

The value of conference is to stimulate young minds to explore new ideas. The **International Conference on Frontiers in Chronic Diseases (ICFCD’20)** invites members of the academia, scholars, and researchers to Tiruchirappalli, India on the 19th February, 2020. Join us as we explore the latest trends in the field of Chronic disease (Disaster of an era) and discuss the most recent advances, trends and concerns as well as practical challenges and solutions adopted in the field of Medical Biotechnology. We hope that you will grasp this academic occasion to revitalize the enduring connection with new peers in India and abroad.

HOW TO REACH US

Tiruchirappalli, also called Tiruchi or Trichy, is a city in the South Indian State of Tamil Nadu and the administrative headquarters of Tiruchirappalli District. Located 322 kilometres (200 mi) south of Chennai. The city is served by an International airport which operates flights to Southeast Asia and the Middle East. From Tiruchirappalli Central Bus Station, Railway Junction and Airport, one can travel to the college by Auto / Taxi / Town buses. The college is situated 3 kms from the Railway Junction and the Central Bus Station and 10 Kms from Tiruchirappalli International Airport on the Vayalur Road, near Mahatma Gandhi Memorial Government Hospital.
