THE COLLEGE-COAT-OF-ARMS

The College Coat-of-Arms bears the Rock in Tiruchirappalli, a Cross and a Bible surmounted by a pelican feeding its young with its own life-blood drawn from its bosom. The pelican stands as a symbol of Christ and the Eucharist. The Motto "Nisi Dominus Frustra" is from Psalm 127. The whole verse runs thus: "Except the Lord build the house, they labour in vain that build it".

OUR VISION

Bishop Heber College, a great Institution of Higher Education set in beautiful surroundings, seeks to function through mutual love and respect and with efficiency and creativity, catering to the educational needs of all, especially the poor, the needy and the under-privileged, inspired by the love of our Lord Jesus Christ.

MISSION

Bishop Heber College exists to impart quality Higher Education with creativity to all, especially the poor, the needy and the under-privileged, to cause their holistic development in response to the great commandment and love of our Lord Jesus Christ and contribute towards building a great India.

From the Principal

An autonomous college is fully aware of the following entrusted responsibilities:

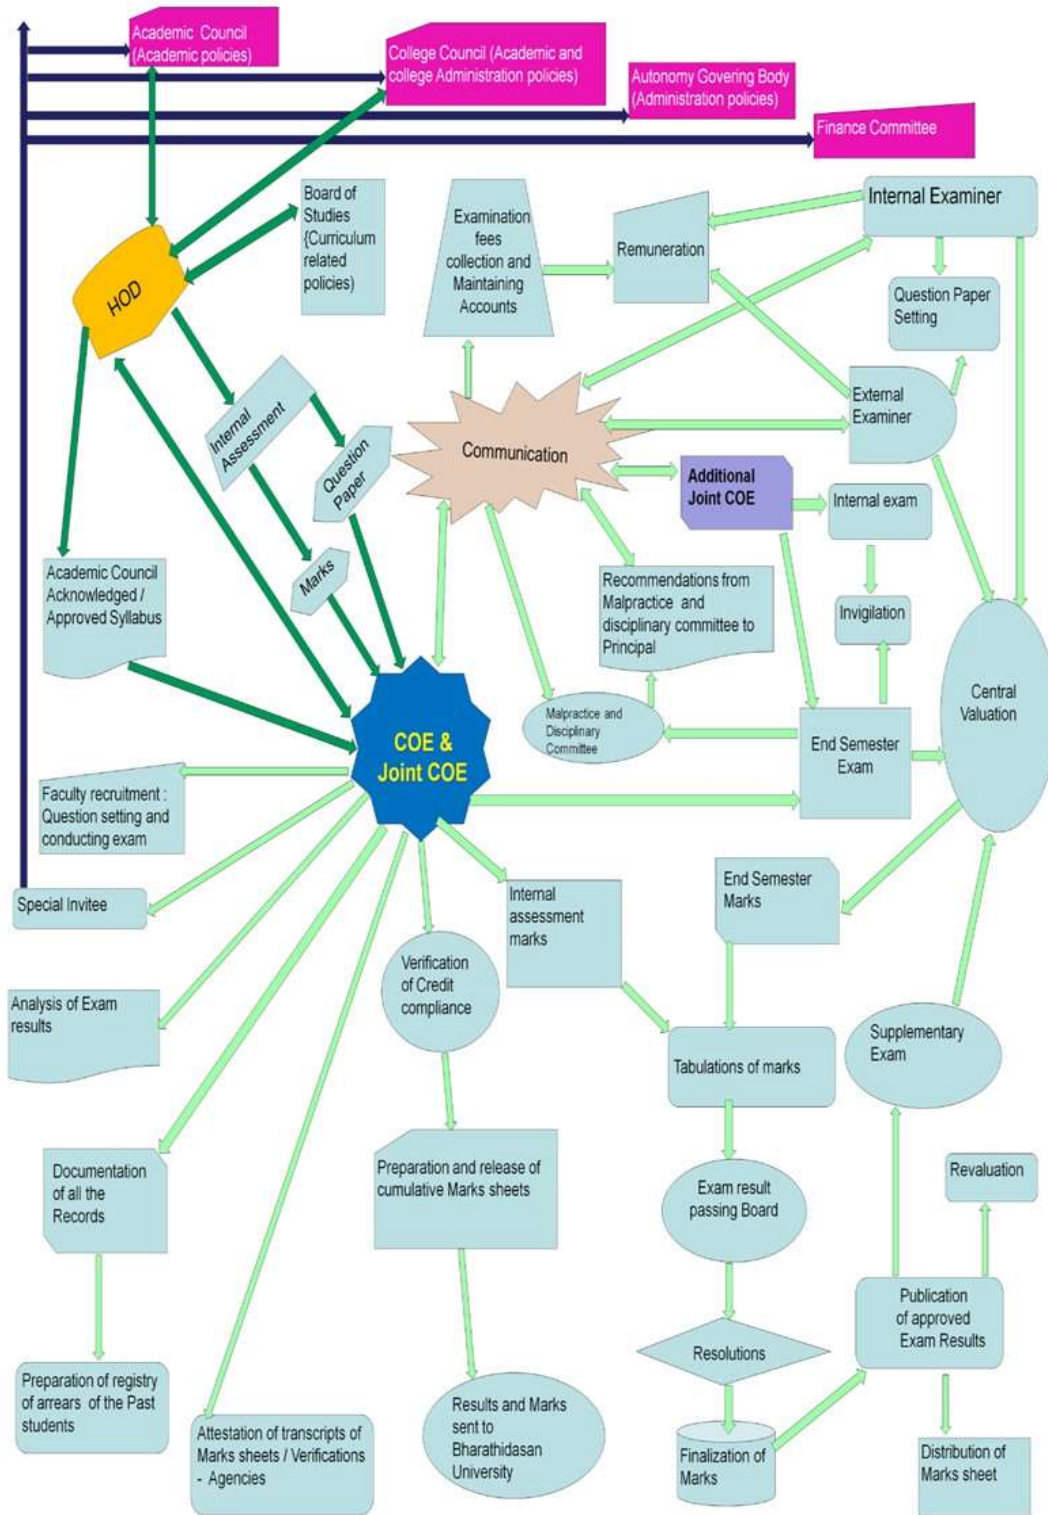

- (i) To frame its curriculum.
- (ii) To adopt teaching methods.
- (iii) To exercise evaluation procedures.

In a digitalized world, we are encountering radical and swift changes in many spheres of life especially in the field of education. In order to cope with the current scenario, Bishop Heber College is consistently introducing innovative reforms in the Examination pattern and the Evaluation process ensuring objectivity, validity and confidentiality. Our curriculum aims to extract the best out of every individual who is a part of this esteemed institution. The semester system, Continuous Internal Assessments as well as the Credit system ensure that every individual student excels in his/her studies and extra-curricular activities.

It is not possible to explain in this Autonomy Manual, all the initiatives undertaken in the three areas of autonomy. However, a modest attempt is made to bring out the rules and regulations, courses of study and examination pattern for the UG, PG and M.Phil. Programmes and Diploma, PG Diploma and Certificate Programmes. I take this opportunity to appreciate and congratulate the Controller of Examinations and his Office for completing and bringing out this booklet for the benefit of all the stakeholders.

2. BRIEF HISTORY OF THE COLLEGE

Bishop Heber College is a religious minority educational institution established by Tiruchirappalli – Thanjavur Diocese of the Church of South India. Its main objective is to cater for the higher educational needs of the members of the Church of South India and other Christians and specially to provide for them an educational atmosphere in keeping with the Christian ideals of the Church. The College, however, admits students of all faiths and religions and seeks to provide for them the best possible higher education.

Bishop Heber College traces its origin back to Christian Frederick Schwartz, the first German missionary, supported by the Society for the Promotion of Christian Knowledge (S.P.C.K.) in South India. He built a School near the Rock Fort in Tiruchirappalli in 1762. The School was vested in the S.P.C.K., and subsequently handed over to the Society for the Propagation of the Gospel (SPG) in 1825. Reginald Heber, the Lord Bishop of Calcutta, came to Tiruchirappalli in 1826 on his way to Sri Lanka. He visited the school on the morning of the 3rd of April and expressed the wish that better buildings might be provided. He also spoke to the Tamil Congregation and later in the morning died of apoplexy in the cold water bath in the District Court compound here. He was buried in St. John's Church, Trichy. The school was renamed as Heber Memorial School.

The Heber Memorial School became a full-fledged High School in 1864 and sent its pupils for the Matriculation Examination. In 1873 the School was raised to a Second Grade College and in 1882 it became a First Grade College. It was then known as S.P.G. College. It was the first College to be established in Tiruchirappalli. Honours Courses in History and Mathematics were introduced in 1925. The College came to be known as Bishop Heber College in the late 1920's and its Diamond Jubilee was celebrated in 1926 under the Presidentship of the then Governor of Madras, Lord Goschen.

The Lindsay Commission on Christian Higher Education in India recommended the merger of the Bishop Heber College with the Madras Christian College. Accordingly, Bishop Heber College was closed in 1934 and the Bishop Heber Hall emerged at Madras Christian College, Tambaram.

The People of Tiruchirappalli, however, were not happy about the closure of the College. Right from the year 1946, efforts were made to revive Bishop Heber College, but in vain. The Most Rev. Dr. Solomon Doraisawmy, who was consecrated Bishop of Tiruchirappalli-Thanjavur Diocese in 1964, plunged heart and soul into the effort to revive the College. He succeeded in reviving the College on 24th June 1966.

The College functioned at Teppakulam in the Old College Buildings from 1966 to 1969, having only Pre-University classes. In July 1968 the College was upgraded to the Degree Standard with three Degree Programmes viz. History, Economics and Mathematics and the Degree Classes were conducted at Puthur, where the College had acquired a site for its permanent buildings.

For four years from 1968 to 1972, the College functioned in two places, the Pre-University Classes at Teppakulam and the Degree Classes at Puthur. The College grew not only in strength but also in popularity and academic excellence and attracted students from all over Tamil Nadu. In the meantime, the College managed to secure financial aid from the Protestant Central Agency for Co-operation in Development, Bonn, Germany for the construction of its permanent buildings. The building scheme was taken in hand early in 1970 and four new building were opened in 1972. Many more buildings have since been added and the College now has a beautiful campus with lovely gardens.

The College now offers Twenty Eight Under-Graduate, three B.Voc, Twenty One Post-Graduate, One Integrated Post Graduate programme and as many Certificate, Diploma and Post Graduate Diploma programmes of study besides research programmes leading to M.Phil. and Ph.D. degrees. The College started offering programmes in the Self-Financing stream from the year 1985.

The College has already established a great reputation for its high academic standards and attracts students from all over India and abroad.

The College runs the accredited Study Centre of the Indira Gandhi National Open University (IGNOU), New Delhi.

The revived College celebrated its Silver Jubilee in February 1992 and the 40th Anniversary in June 2006 and college celebrated its Golden Jubilee in this year 2016.

The University Grants Commission, New Delhi and Bharathidasan University, Tiruchirappalli granted Autonomy to our College during 2004-2005.

The College was accredited with 5 stars by the National Assessment and Accreditation Council (NAAC) on 21st May 2001 and was reaccredited at the A⁺ level in March 2007. Also, our College has been recognized by the UGC as “College with Potential for Excellence” on September 2011. In March 2015, the college reaccredited (3rd cycle) at A Grade by NAAC with CGPA of 3.58 on a 4 point scale and stood first among all the affiliated colleges in Bharathidasan University. UGC has sanctioned Rs.1 crore for building Multipurpose Gymnasium. DBT has sanctioned Rs. 35 lakhs for the development of Life Sciences along with Basic Sciences at the UG level under “Star College scheme”. DST-FIST has sanctioned Rs.1 crore towards “College as a Whole” scheme for the development of PG programmes. UGC has sanctioned Rs.1.7 crore for introducing B.Voc., programme in Information Technology and Accounting & Taxation. The college has secured 4th rank, 44th rank 39th rank ,43rd rank and 43rd rank the National Level by MHRD through NIRF, in India rankings 2017, 2019, 2020, 2021 and 2022 respectively.

7.5 SYSTEM BASED EXAM AND EVALUATION

Offline system based examinations are held for the Skill-based Elective Courses, Non-major Elective Courses, Environment Science and Value and Life Oriented Course. These papers are compulsory for all undergraduate students. The software application for this purpose was developed and deployed entirely in-house by our faculty of I. T. Support.

Its salient features are :

- (i) Multiple question papers for the MCQ examination are generated automatically by the system, by random picking of the required number of questions from a vast database in the central server.
- (ii) Each batch of students taking the examination is presented with a particular question paper by the system, but no four students in the same batch will see the questions in the same order. These multiple levels of randomization, which cannot be humanly controlled, eliminates the scope for malpractice and bias.
- (iii) Each student is required to log in to the system with her unique register number and password, and it is only on a successful login that the system will allow her to take the examination.

- (iv) The answer paper of each student is also stored in the server, and can be made available for checking in case of any grievances expressed by the student.
- (v) The student has the flexibility to attempt answering the questions in any order that she wants and to navigate freely back and forth in the question paper.
- (vi) The system is geared towards effective recovery in case of any malfunctioning of the computer on which the student is taking the examination, for her answers are securely stored in the central server while she is taking the examination.
- (vii) The results can be procured instantaneously, on the completion of the test.

The uniqueness of this system based testing process lies in the fact that the system is highly secure, dependable, paperless, student-friendly and quick, with the results of the examination being available instantaneously.

7.5.1 PRESERVATION OF ASSESSED ANSWER BOOKS :

All valued answer books shall be preserved for three consecutive semesters in strong rooms of CoE office.

7.5.2 SEMESTER END EXAMINATION RESULT :

Results will usually be declared after three week from the date of the last examination. After all grievances are addressed, the final result will be declared by CoE office.

7.5.3 SOME OF THE QUALITY MEASURES

- The office has the Examination automation software that enables to do the works in an easier and effective manner within the stipulated time. The Examination schedule, Semester examinations, Publications of results, Distribution of certificates, Revaluation results, Conduct of arrear examinations, Supplementary examinations and results are carried out in tack with time. The examination schedule is put up in the college website and the results are published through the website.
- End semester Examination seating arrangement shall be made centrally as per the master plan for seating arrangement.
- Question Paper Scrutiny Board is instituted to scrutinize the question papers before the commencement of the examinations. This will enable us to avoid silly mistakes, out of syllabus and poor setting of the question papers.

Moreover, feedback collected from the internal and external examiners during valuation provides the opportunity to know about the reason for the failures.
