UNMUTE only at the time of tbe Q/A session.

Registration, attendance in all the Sessions and Feedback form  
submission are mandatory for issuing e-Certificate .

## Capacity Building National Webinar On Emerging Trends, Growth, Opportunity and Future in Food Processing Sectors

27 November, 2020

Organized by

BISHOP HEBER COLLEGE

**PG Department of Food and Nutrition**  
**Bishop Heber College (Autonomous)**

Nationally Reaccredited with 'A' Grade by NAAC with a CGPA of 3.58 out of 4  
Affiliated to Bharathidasan University  
Recognized by UGC as " College of Excellence"  
DIST-FEST Sponsored College  
Tiruchirappalli - 620 017.

## ABOUT THE COLLEGE

Bishop Heber College is a religious minority educational institution established by the Tiruchirappalli - Thanjavur Diocese of the Church of South India. Its main objective is to cater to the higher educational needs of the members of the Church of South India and other Christians and specially to provide for them an educational atmosphere in keeping with the Christian ideals of the Church. The College, however, admits students of all faiths and religions and seeks to provide for them the best possible higher education. The University Grants Commission, New Delhi and Bharathidasan University granted autonomy to our College during 2004-2005. The college was accredited by NAAC with 5stars in the year 2001, recredited with A+ in March 2007, 'A' grade (CGPA 3.58/4.0) with the prestigious FIST grant by DST, New Delhi, and was recognized as "College of Excellence" with a special grant of Rs. 2 crore, in the year 2016 which coincidentally was the golden jubilee year of the college. With the slogan of Golden Jubilee, 'Excel and Empower', the College continues to excel in different dimensions and empower the young men and women especially those from the weaker sections of the society.

## ABOUT THE PG DEPARTMENT OF FOOD & NUTRITION

In today's scenario food, nutrition and health is the prime factor which decides on the development of a nation. Keeping this in mind the following courses were Introduced in the self-financing stream of the college

- B.Sc., Nutrition and Dietetics From 2017 – 2018
- M.Sc Food Science and Nutrition From 2020 - 2021

## SIGNIFICANCE OF THE CONFERENCE

Food is one commodity which will always be in demand as it is one of the basic necessities of life. Food has now become Global and significant Importance is given to food processing industry. Food processing includes a wide-spectrum of industries including all post-harvest technology, meat and fish industry, dairy industry and so on. Each and every food product has its unique technology in processing and so is a different area of study altogether. Keeping this in mind, the PG Department of Food and Nutrition is hosting a Webinar on "Emerging Trends, Growth, Opportunity and Future in Food Processing Sectors" with the following aims:

### AIM OF THE NATIONAL WEBINER IS TO

- Bring top professionals from food processing sectors to create platform for food and Nutrition students, researchers, faculty members, industry personal to update their knowledge on the latest Trends, Growth, Opportunity, and Future in Food Processing Sector.
- Give opportunities to participants and to listen to the vision, expertise of the leaders in the profession.
- Create an interaction between young students to take a stock of present status and future directions of food processing sectors
- Enrich the young minds and motivate them to readily step towards the future in food processing sectors.
