DEPARTMENT OF CALLIGRAPHY

VISION OF THE DEPARTMENT

The department provides a good space to students for being creative. The activities in the classes are constantly monitored and evaluated, which help the learners to excel themselves in this field of art and in turn serve the nation through their practice of sharing the knowledge they gained.

ART OF WRITING

Highlights

CRAFT WORKS

HISTORICAL BACKGROUND & MILESTONES

Calligraphy popularly known as the art of writing literally means. "Beautiful writing". Calligraphy is not just writing beautifully, but is a creative art, where beauty, individuality and impact are given more importance than clarity and speed. The design and execution of lettering can be done through pen, brush or other writing equipment. Bishop Heber College is known for the eye-catching landscape, is aptly called by the people, as "Beauty Bishop". In the year 2008, the certificate programme in calligraphy was initiated in the campus with the support of our former principal, Dr.M. Marcus DiepenBoomina- than, and the then Bursar, Dr.D. Joseph Anbarasu. The task of beautifying, the handwriting of the collegians, was successfully instigated by, Mr.K. Philip Meshok, Assistant Professor in Calligraphy and an alumnus of our college. The programme that had a humble beginning with a handful of students from within the campus is now extended to people outside the campus. A remarkable number of school students, students from other colleges and people of different age groups, eagerly enrolled themselves for the programme every year. In the year 2019, Diploma in Calligraphy was started and carried out successfully.

MISSION OF THE DEPARTMENT

- To train and educate the students about the significance of good lettering and designing skills
- To train and develop the skills of students in the field of Calligraphy
- To guide them to implement their theoretical knowledge practically

UNIQUENESS

- DISTINCTIVENESS**
The students master the art of good writing which gains them with concentration and good results in examinations.
