About the Deanery

Deanery of Extension Activities works on three areas, namely, with students through Part V Clubs, with community through adoption of villages and with the management through accomplishing the requirements of UGC and NAAC. There are 30 Part V clubs which work for and through students. At the student level, the clubs engage the students in their own areas of work, besides moulding their personality and honing their inter-personal skills. The clubs also provide manpower in organizing programmes of the College and government and private bodies. At the community level, the Deanery has adopted the villages which come under Eight Panchayats namely, Navalur Kuttapattu, Ariyavur, KumaraVayalur, Palur, Allur, Pothavur, Anthanalur and Kodiyalam based on certain criteria. The villages are needy and deserving in nature, attract minimal or meager support from the Government and there is no notable involvement of voluntary or community based organizations. The important target groups are women, children, youth and older persons apart from the community members as a whole. Major emphasis is given on water and sanitation, promoting safe water and toilet usage.

The Deanery makes sure that the members of all the 30 clubs actively involved in their service to the society and two full time Extension Officers are appointed by the College for continuous monitoring. Generally, the programmes are organized with the financial support from the College Management and sometimes the clubs raise funds from local resources. The Deanery, as its future plans, attempts to implement continuous and long term programme by adopting three-pronged approach viz., creating employment opportunities, promotion of health and ensuring educational and infrastructural support. The future programmes will focus on skill training for both women and youth, medical care facilities for women, children and older persons; special concentration will be given on school students who will be provided with educational kits. Participation of students in extending services to the village community would be ensured with the active involvement of Part V Coordinators.

The Deanery also works in coordination with the Trichy Corporation and other State and Central Government Departments extending its service to Swacch Bharat Campaign and Unnat Bharat Abhiyan. Our College is a participating institute of Unnat Bharat Abhiyan (UBA) sponsored by MHRD, Government of India. Under UBA, five villages are adopted to carry out developmental works under the themes such as Organic Farming, Water Management, Renewable Energy, Artisans, Industries, Livelihood and Basic Amenities.

Apart from gaining knowledge from within the four walls of the class room, students get a lot of opportunities to develop their communication skills, soft skills, organizing skills and interpersonal skills. They also get opportunities to serve the village communities in the adopted villages and thus contributing their mite to build the architecture of an inclusive India. While the academic activities train the minds of the students, the Extension Activities train the hearts of the students and when they leave the portals of the College they leave as complete human beings.

ACTIVITY 1:

Name of Activity: Corona Relief Distribution

Date : 15th April 2020

Collaborating Agency/Club/Department: Nil

Number of Participant/Beneficiary: 600 Families

Description 200 words (along with the Pictures): On behalf of Extension Wing of Bishop Heber College, meticulous steps were taken to address the problems of Corona victims during pandemic April 2020. We distributed rice bags of 5 kg to 375 families at the adopted villages of Pothavur and 225 families at Kumara Vayalur. The beneficiaries were very happy and extended their gratitude to the College Management. The village President selected the beneficiaries for procuring the rice package. The Panchayat President and other officials participated in this event and also extended their splendid support for the smooth conduct of this event. As per the government directions, we maintained social distance and every participant were wearing the face masks. As a part of this programme, the village President extended their support by sending volunteers to the college to bring the rice bags to the villages. The Block Development Officer of the Anthanalur and Manikandam block, Tiruchirappalli district, Tamilnadu gave us good support for the implementation of the programme. We identified the beneficiaries in these respective villages as per the directions of the Panchayat Presidents and they were given tokens accordingly before getting the rice

bags. Our respected Principal Dr. D. Paul Dhayabaran handed over these rice bags to the representatives of the adopted villages. The Presidents of both villages extended their heartfelt thanks to the Principal and College Management.

ACTIVITY 1:

Name of Activity: Corona Relief Distribution

Date : 15th April 2020

Collaborating Agency/Club/Department: Nil

Number of Participant/Beneficiary: 600 Families

Description 200 words (along with the Pictures): On behalf of Extension Wing of Bishop Heber College, meticulous steps were taken to address the problems of Corona victims during pandemic April 2020. We distributed rice bags of 5 kg to 375 families at the adopted villages of Pothavur and 225 families at Kumara Vayalur. The beneficiaries were very happy and extended their gratitude to the College Management. The village President selected the beneficiaries for procuring the rice package. The Panchayat President and other officials participated in this event and also extended their splendid support for the smooth conduct of this event. As per the government directions, we maintained social distance and every participant were wearing the face masks. As a part of this programme, the village President extended their support by sending volunteers to the college to bring the rice bags to the villages. The Block Development Officer of the Anthanalur and Manikandam block, Tiruchirappalli district, Tamilnadu gave us good support for the implementation of the programme. We identified the beneficiaries in these respective villages as per the directions of the Panchayat Presidents and they were given tokens accordingly before getting the rice bags. Our respected Principal Dr. D. Paul Dhayabaran handed over these rice bags to the representatives of the adopted villages. The Presidents of both villages extended their heartfelt thanks to the Principal and College Management.
