Before I proceed to present the annual report of the academic year 2017-2018, I would like to record my sincere thanks to our Bishop and Chairman of our College, Rt.Rev.Dr.G.Paul Vasanthakumar Iyya, for his unstinted support in all the activities of the College. My heartfelt and sincere thanks to Bishop Iyya for spiritually nourishing this campus ever since he became the Chairman of this College and as a trustworthy shepherd, he always led this College beside quiet waters, protecting and guiding it in the right path even when there were any untoward dangers that the College had to face from time to time. Today our College is known for its natural and infrastructural beauty and it is one of the wonders of Tiruchirappalli city. It is all because of the sincere guidance that our Bishop gave to us and I personally thank him for the space and freedom that he extended to me to execute whatever projects approved by the Governing Body. In all the high level deliberations, he always stressed that there should not be any compromise on the quality of education offered to the children of the College and he always worried that the underprivileged children should not be deprived of education at any cost. Our Bishop is retiring in the month of April, 2018 and on behalf of all present here, I wish him a blessed retired life and I am sure that goodness and love will follow him all the days of his life.

SUMMARY

Esteemed Chief Guest of this 55th College Day celebration, Dr.M.Selvam, Honourable Vice-Chancellor of Bharathidasan University, Respected and Revered Bishop Iyyah, the Secretary and Chairman of the College Governing Board, Beloved Bishop Amma, the President of Women's Fellowship, TTD, Respected members of the General Body, Respected members of the Clergy, Learned Deans and Associate Deans of different divisions, Learned Heads and Coordinators of different disciplines, Distinguished invitees, Members of the teaching and non-teaching fraternity, Proud parents and Prize Winners, dear members of the press and my dear student friends, Good Morning and a warm welcome to one and all gathered here.

The year 2020-2021 was a year of shock and surprises. Corona blitzkrieg changed the world upside down. It brought the developed world, which was boasting on its precision medicine that can easily overtake the scourge of epidemics of infectious disease, on its knees. It stunned the world and made science blink in despair. It changed the texture of the world in the wink of an eye. The world came to a standstill. In short, Covid-19 created a new world. A "new normal" came into existence. Educational institutions were not an exemption to the onslaught of Corona. In March 2020, schools and colleges were closed abruptly and the academia was at a loss, not knowing what next to do. Somehow, when colleges were reopened for the new academic year 2020, the teaching community was shocked to see the empty classrooms; students would not come to classrooms but teaching should continue undeterred. Our College lost no time to take the challenge head-on and girded our loins to teach online through virtual classrooms. Hectic training programmes were organized and intensive discussions were held to prepare our teachers and students for online classes. By the Grace of God, all the curricular and co-curricular activities were held online and the College functioned as if everything was normal in the academic world. We thank God for enabling us to function in a normal manner in a new normal environment.

God has been so kind and benevolent that He showered His blessings upon our College throughout this academic year. With a deep sense of gratitude to our Gracious God, I

SUMMARY

Esteemed Chief Guests of this 56th College Day celebration, Honourable Minister K.N. Nehru, Minister for Municipal Administration, Urban and Water Supply, Government of Tamil Nadu and Honourable Minister K. Ponmudy, Minister for Higher Education, Government of Tamil Nadu. Respected and Revered Bishop Iyyah, the Secretary and Chairman of the College Governing Board, Beloved Bishop Amma, the President of Women's Fellowship, TTD, Respected members of the General Body, Respected members of the Clergy, Learned Deans and Associate Deans of different divisions, Learned Heads and Coordinators of different disciplines, Distinguished invitees, Members of the teaching and non-teaching fraternity, Proud parents and Prize Winners, dear members of the press and my dear student friends, Good Evening and a warm welcome to one and all gathered here.

It took quite a considerable chunk of time to wriggle out of Corona's grasp during 2021-22. While the first semester went online, the second semester was in offline mode. Classes opened and students had time to frolic. A sense of quietude seemed to prevail amongst all. A new life was given to classroom teaching and a new breath of life was breathed into the vast expanse of the empty campus. After a lull in the campus activities during the online sojourn, students partook in the myriad activities that were open for students to hone their skill set. The campus wore a festive look almost every day with a variety of programmes. The campus came to life again. All seemed to be normal or near normal. Knackered by the dreary online mode, the new normal was a thing to relish and relive. In short, this year has thrown in a new beginning bringing with a whole lot of optimism brimming in everyone everyday.

By the grace of God, III Floor of the UG block was opened and dedicated by The Most. Rev. A. Dharmaraj Rasalm, Moderator, Church of South India-Synod on the occasion of Platinum Jubilee celebrations of Church of South India and Ruby celebrations of Department of Social Work. The college community was happy to be part of these celebrations and I register my sincere thanks to our Moderator, The Most. Rev. A. Dharmaraj Rasalm and our Bishop Rt.Rev. Dr. D. Chandrasekaran for gracing the occasion with their valuable presence.

God has been so kind and benevolent that He showered His blessings upon our College throughout this academic year. With a deep sense of gratitude to our
