NISI DOMINUS FRUSTRA

**BISHOP HEBER COLLEGE**

Bishop Heber College is a Religious Minority Educational Institution established by the Tiruchirappalli – Thanjavur Diocese of the Church of South India. Its main objective is to cater to the higher educational needs of the Christians and students of other faiths and religions. The College offers UG, PG, M.Phil and Ph.D programmes under Aided and Self-Financed Sections without compromising the quality.

The College Coat-of-Arms bears the Rock in Tiruchirappalli, a Cross and a Bible surmounted by a pelican feeding its young with its own life-blood drawn from its bosom. The pelican stands as a symbol of Christ and the Eucharist. The Motto "*Nisi Dominus Frustra*" is from Psalm 127 of Holy Bible. The whole verse runs thus: "Except the Lord build the house, they labour in vain that build it".

Bishop Heber College has its roots dating back to 1864 when it was established as S.P.G. College. In 1923, it was renamed Bishop Heber College in honor of Reginald Heber's profound impact on education and missionary endeavors in India. Over the years, the college expanded its academic offerings, becoming a prominent institution in Tiruchirappalli, Tamil Nadu. The Most Rev. Dr. Solomon Doraisawmy, who was the consecrated Bishop of Tiruchirappalli-Thanjavur Diocese in 1964, succeeded in reviving the College on June 24, 1966. The College started offering programmes in the Self-Financed stream from the year 1985. In 2004, Bishop Heber College attained autonomous status from the University Grants Commission (UGC), a milestone that underscored its commitment to academic autonomy and innovation. The revived College celebrated its Silver Jubilee in February 1992 and Golden Jubilee in 2016.

The College now offers 10 Under-Graduate programmes, 07 Post-Graduate programmes in the Aided stream of study besides research programmes leading to M. Phil and Ph. D programmes. The College offers 29 Under-Graduate, 19 Post-Graduate and 01 Integrated PG programme in the Self-Financed stream from the year 1985 onwards. The College has already established a great reputation for its high academic standards and attracts students from all over India and abroad.
