PLAGIARISM POLICY & PROCEDURES

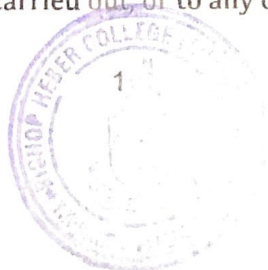

Plagiarism

The Deanery of Research and Development at Bishop Heber College promotes and reinforces the ethical spirit of writing with integrity and therefore follows a stringent protocol to curb plagiarism even at the elementary level of the submission of classroom assignments, presentations, dissertations and thesis at the Undergraduate and Post Graduate level by educating the students, scholars and faculty to acknowledge the sources referred or cited in their presentations or research work so as to stay clear of moral and ethical breach of the code of academic integrity. Plagiarism is passing off someone's ideas as one's own for personal or professional benefits. Plagiarism is an intellectual theft which tampers academic integrity and the reputation of the institution and its degrees. Bishop Heber College believes that any research should add value to the knowledge pool and should be original. The Deanery educates the faculty and scholars of the consequences of intentional and unintentional Plagiarism which would jeopardize their learning and progress.

Plagiarism Check

As per the guidelines of UGC (Minimum Standards and Procedure for Award of M.PHIL./PH.D Degrees) Regulations, 2016.

It is the duty of a scholar to ensure that his/her work is free of Plagiarism before submitting the dissertation/ thesis for evaluation. In BHC, It is imperative to provide an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work which is free of Plagiarism and that the work has not been submitted prior for the award of any other degree/ diploma of the same Institution where the work was carried out or to any other Institution.
