Tiruchirappalli -620 017, Tamilnadu, India

Water Management Policy

Bishop Heber College believes that water is the Elixir of Life and a precious resource for future and hence would venture water protection and management strategies and plans (SDG -6)

- Save water at all cost.
- Ensure safe drinking water within the campus.
- Minimize per capita water consumption year-by-year.
- Recycle and reuse water to the maximum.
- Replenish ground water sources periodically.
- Increase Catchment Area and harvest every drop of rainwater.
- Invest in infrastructural facilities to manage water –related Disaster.
- Intensify awareness initiatives on water conservation.
- Be the Ambassadors of Protection and restoration of water-related ecosystems in the delta region within our reach.
