Skills for success

Cultivating an industry-ready pool of talent.

TCS iON, in collaboration with TAHDCO (Tamil Nadu Adi Dravidar Housing & Development Corporation Ltd.), brings forth training on industry aligned skills for the SC/ST/SCA youth of Tamil Nadu.

Through this collaboration, aspirational students from educational institutions of Tamil Nadu can imbibe career enhancement skills and get valuable academic guidance.

Through this program, TCS iON facilitates online courses in Emerging Technologies and Media & Communications, thereby improving employability and livelihood opportunities for the youth of Tamil Nadu and bringing them up to industry standards.

FREE TCS iON Digital Learning Programs

Emerging Technologies

- Data Analytics and Reporting
- Social Media and Text Analytics
- Practical Approach to Cyber Security
- Machine Learning for Real-world Application
- Intelligent Game Design and its Applications

Media & Communications

- Graphic Designing Professional
- Motion Graphics Professional

Pre-screening Assessment:

TCS iON will conduct an online pre-screening process for 5,000 SC/ST/SCA students using the TCS National Qualifier Test (NQT) to identify 500 eligible students for enrollment in Digital Learning Programs focused on Emerging Technologies and Media & Communications. TCS NQT will evaluate students' Cognitive Skills (verbal, reasoning, numerical) and their Attitudinal Skills (work styles, personality traits).

Pre-screening assessment based on TCS NQT, to be conducted in English at multiple authorised assessment centres in the following cities: Chennai, Coimbatore, Madurai, Salem, Tirunelveli, Cuddalore, Erode, Karur, Nagercoil, Namakkal, Thoothukudi, Tiruchirappalli, Vellore & Viluppuram

Last Date for Pre-Screening TCS NQT to be conducted on 2nd Oct 2023 is 16th Sep 2023
