## NO DRIVE DAY

In the view of the **World Ozone Day on 16<sup>th</sup> September** No Vehicle Day is observed in our college campus. Awareness on Save Ozone Layer was made by the students of Environmental Sciences by distributing pamphlets and batches to our teachers, students and non-teaching staff. On this day Noise levels were measured, vehicle's count was done and air sampling with respect to CO, CO<sub>2</sub>, SO<sub>2</sub> and NO<sub>x</sub> was done inside the campus.
